

Shailendra G. Patel, PE, FDBIA, MBA
Sr Vice President, Design-Build Services
AI Engineers, Inc.

Shailendra Patel, PE, FDBIA, MBA is Senior Vice President for Design-Build at AI Engineers, bringing more than 35 years of leadership experience in transportation engineering and alternative project delivery. Prior to joining AI Engineers, he led statewide design-build procurements and provided technical leadership for Virginia's Public-Private Transportation Act (PPTA) Program.

Over his career, Mr. Patel has delivered 125+ major projects totaling more than \$9 billion in capital investment, advancing mobility and safety across key corridors including I-81, I-95, and I-64. He led the statewide adoption of design-build and introduced Progressive Design-Build in 2025. A DBIA Fellow and licensed professional engineer, he has served on national boards and committees shaping design-build policy nationwide.
